First Article Inspection Report N° FABTH 163-18

Supplier BG N°: 7002117

Customer: SVI PUBLIC COMPANY LIMITED

Customer N°: DGIM100166ALF

Part N°: 1279432

Part description: Internal toothed lock washers type J spring steel zinc plated blue

BN: 790

Drawing N°:

Trace Id: FABTH 163-18

Lot number:

Standard: DIN6797 J

Dimension: M 3 / 3,2

Surface: zinc plated blue chromated

Quality: 350-425 HV

Quantity: 5 Pcs

Inspection result: Approved

QC inspector: Pana Sukcharoen

Quantity rejected: N/A

Please note: the results contained herein relate only to the items tested.

QA Engineer

DECLARATION ON COMPLIANCE

The EU Chemicals Directive EC 1907/2006 REACH

Dear Sir, Dear Madam

We thank you for your query regarding the EU Chemicals Directive (REACH).

The obligations contained in the REACH directive do not concern the user but rather the manufacturer or the importer.

Regarding the obligation to passing on of information in the delivery chain we are in contact with our suppliers and rely as a specialized distributor and importer on the fact that our suppliers within the European Union act according to their legal responsibilities and inform us in accordance with article 33 in REACH. For our non-European Union suppliers we are obligated to inform about substances causing particularly concerns in accordance with the candidate list.

Until today no information is present that products supplied by us are containing substances (SVHC) causing concerns regarding the candidate list from December 2012

The letter is purpose to confirm REACH for:

Article no. 1279432

Part N°: DGIM100166ALF

Part Description: Internal toothed lock washers type J
spring steel zinc plated blue

Best regards,

Bossard Group
Quality Management
